## **Expedition**

I am aware that I will need to organise and sign on to an Open Expedition.

BXM Expeditions offer Open Expeditions. You will need to complete both a Practice and Assessment Expedition.

Dates for these include:

- 26-30th October 2018 - South Wales
- 13-17th April 2019 - Peak District
- 27-31st August 2019 - North Wales
- 26-30th October 2019 - South Wales

Guide price £180 for each Expedition.

Participants can sign up to these expeditions on the BXM Expeditions website:

## **Residential**

I am aware I will need to arrange my own independent Residential and understand that I cannot be accompanied by any of my fellow gold participants.

**Any other information that might support your application that you would like us to know.**

I also confirm I am aware of the cost associated. Payments for DofE registration are to be made by online using the Parent Pay account. Costs for both the Expedition and Residential Sections will need to be arranged with external providers. **Applications can be passed to Tutors or passed on to Mrs Pendrey through Reception.**

If there are any questions, please do not hesitate to contact me.
