

Preparing for your GCSE Combined Science exams

Exam board: AQA Combined Science: Trilogy

Foundation (Grades 1-5) & Higher (Grades 4-9)				
Date	Paper	Time	Value	Topic
14 th May 2019 (pm)	Biology Paper 1	75 minutes	16.6%	1-4
7 th June 2019 (pm)	Biology Paper 2	75 minutes	16.6%	5-7
16 th May 2019 (am)	Chemistry Paper 1	75 minutes	16.6%	1-5
12 th June 2019 (am)	Chemistry Paper 2	75 minutes	16.6%	6-10
22 nd May 2019 (pm)	Physics Paper 1	75 minutes	16.6%	1-4
14 th June 2019 (am)	Physics Paper 2	75 minutes	16.6%	5-7

All papers will have multiple choice questions, closed short answer questions and more extended response. Students will also be expected to know the required practicals. The difficulty of the questions increases as the paper progresses.

Predicted Grade:

Mock Grade (Paper 1):

Next Mock week: w/c 11th March 2019 (Paper 2)

Resources available for you:

- 1) **Revision guides-** Please use these to revisit the topic you are doing and the ones that you have previously covered.
- 2) **Knowledge Organisers-** These are a summary of each of the modules, they are available on "Show My Homework". They should be used to support your revision.
- 3) **Drilling Questions-** Your teachers are likely to be using these in lessons as a tool to remind you of topics you have done previously. These will also be available for you on Show My Homework.
- 4) **FlashCards-** Rather than spending time making flashcards download the ones available on show my homework and use these to get someone else to test you or you to test yourself.
- 5) **BBC Bitesize-** <https://www.bbc.co.uk/education/subjects/z9ddmp3>
- 6) **Youtube-** Use "Free Science Lessons" and "Doodle Science" as guidance (these aren't instead of your revision guide)
- 7) **Physics and Chemistry Equations-** You all have a copy of the equations- if not please ask your teacher. You need to learn these off my heart. Rehearse them over and over again! These equations are also on the school website
- 8) **Study Group-** Every Thursday your teachers will be available to help you with queries. Come with your homework, a question, or a specific topic that you need help with.

Revision guides (£9.15) are available to buy on ParentPay. These have practice questions in them that you should do at least once each.
