

## Preparing for your GCSE Separate Science exams

Exam board: AQA Biology/ AQA Chemistry/ AQA Physics

Foundation (Grades 1-5) & Higher (Grades 4-9)				
Date	Paper	Time	Value	Topic
14 <sup>th</sup> May 2019	Biology Paper 1 (pm)	105 minutes	50%	1-4
7 <sup>th</sup> June 2019	Biology Paper 2 (pm)	105 minutes	50%	5-7
16 <sup>th</sup> May 2019	Chemistry Paper 1 (am)	105 minutes	50%	1-5
12 <sup>th</sup> June 2019	Chemistry Paper 2 (am)	105 minutes	50%	6-10
22 <sup>nd</sup> May 2019	Physics Paper 1 (pm)	105 minutes	50%	1-4
14 <sup>th</sup> June 2019	Physics Paper 2 (am)	105 minutes	50%	5-8

All papers will have multiple choice questions, closed short answer questions and more extended response. Students will also be expected to know the required practicals. The difficulty of the questions increases as the paper progresses.

**Predicted Grade:**

**Mock Grade (Paper 1):**

**Next Mock week:** w/c 11<sup>th</sup> March 2019 (Paper 2)

### Resources available for you:

- 1) **Revision guides-** Please use these to revisit the topic you are doing and the ones that you have previously covered.
- 2) **FlashCards-** Rather than spending time making flashcards download the ones available on show my homework and use these to get someone else to test you or you to test yourself.
- 3) **BBC Bitesize-** <https://www.bbc.co.uk/education/subjects/z9ddmp3>
- 4) **Drilling Questions-** Your teachers are likely to be using these in lessons as a tool to remind you of topics you have done previously. These will also be available for you on Show My Homework.
- 5) **Youtube-** Use "Free Science Lessons" and "Doodle Science" as guidance (these aren't instead of your revision guide)
- 6) **Physics and Chemistry Equations-** You all of a copy of the equations- if not please ask your teacher. You need to learn these off my heart. Rehearse them over and over again! These equations
- 7) **Study Group-** Every Thursday your teachers will be available to help you with queries. Come with your homework, a question, or a specific topic that you need help with.

Revision guides for Biology, Chemistry and Physics (£4.05 each) are available to buy on ParentPay. These have practice questions in them that you should do at least once each.
