Dear Year 9 Parent/Carer

### OPTION CHOICES

The grid overleaf indicates the subjects available to students for their option choices. I would be grateful if you would discuss the choices with your child and complete the table overleaf to specify your child's preferences for optional courses from September 2019. Please ensure that the choices form is returned to your child's form tutor by Wednesday 13<sup>th</sup> March 2019.

We aim to provide your child's 4 most preferred subjects to take as additional courses next year. Unfortunately, as we are unable to guarantee this we therefore ask that **7 choices are selected in order of priority** (ie 1 being the highest priority, 2 the second etc.).

Please note:

- We cannot guarantee to provide all the above courses. Courses will only run if the group sizes are viable.
- The school reserves the right to adjust course selection following discussion with students and parents/carers where the school deems more appropriate courses for the student are available.
- The most popular courses chosen by the students will form the basis for the final curriculum offer.

Yours sincerely
